**ONE OF SOUTHERN CALIFORNIA'S OLDEST RESIDENTS
CELEBRATES 106TH BIRTHDAY**

REDLANDS, CA—More than 50 guests attended Olga Lizette Urst Lykkegaard's 106th birthday celebration at Redlands Community Hospital's Rehabilitation and Long Term Care Center (Asistencia Villa) on August 18. Hospital staff, friends, and family-- including her children and several great grandchildren, came together for the centenarian's birthday party.

This year, the Asistencia Villa hosted a luau-themed party in Redlands for their oldest resident and provided a cake, refreshments and live entertainment.

Lykkegaard has lived at the nursing home, operated by Redlands Community Hospital, for the past 3 ½ years. In 1921, at the age of 18, she married and raised three children. Now she has seven grandchildren, 20 great-grandchildren and 15 great-great grandchildren. Her daughter Betty Simon, 82, lives in Redlands and visits her mother every day.
